

Precious Nwaoha

Frontend Web Developer

Abuja 900108

nwaohaprecious04@gmail.com

+2349059228500

I work on projects using Vue.js, JavaScript (ES6), Web APIs and other HTML/CSS Frameworks on a day-to-day basis and love to collaborate with people to complete complex engineering tasks. Excited to be at the deployment phase of my new career as a web developer.

Work Experience

Web Developer

Upwork - Remote

January 2020 to August 2021

Managed a freelance business that meets the need of people in getting a website deployed by using my Vue.js, JavaScript HTML/CSS Proficiency.
