EDUCATION

B.sc in Electrical Engineering

University of Nigeria,
Nsukka

Sept 2017 - 2023

SOFT SKILLS

I am a self-taught developer, always learning and insatiably curious. I risk, fall, learn and relearn until I can't fall again. I know when to seek the thoughts of others in work and I believe innovation should be made with users in mind. I love to work with people that have a shared vision to realize dreams that positively affect's others' lives.
